Camp Guidelines and Code of Conduct

We thank you for trusting Science Museum Oklahoma to provide an enriching, fun, and educational camp for your child. Providing a safe and quality experience for your child is paramount — with this in mind, please review the following guidelines with your child:

Children will be made aware of rules and expectations while at camp. Respect for your child will be demonstrated at all times, and the same respect is due from your child for his/her peers and camp staff. If disrespectful, harmful, rambunctious, or belligerent behavior continues with a child after appropriate redirections and warnings are given, parents will be contacted and the child may not be allowed to return to camp.

- If a child disrupts class, he/she is given a warning by the instructor or assistant.
- If problematic behavior continues, the student will be excused from class and parents will be notified of the occurrence.
- If problematic behavior is still not corrected, student will be dismissed from camp.

No tuition refund is offered for children who are dismissed from camps or classes.
